

"WR_[MOD]Sedi_2/18 to 2/25"

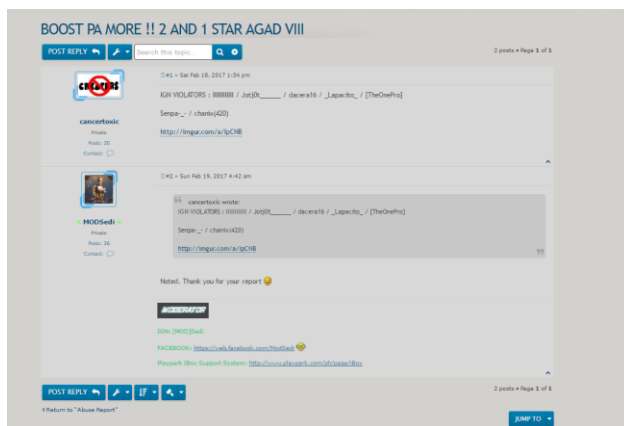

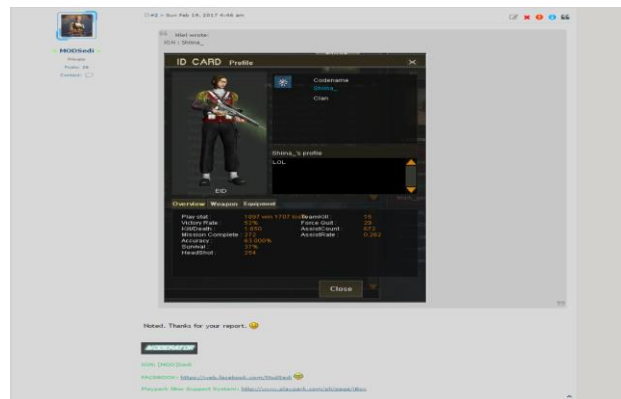

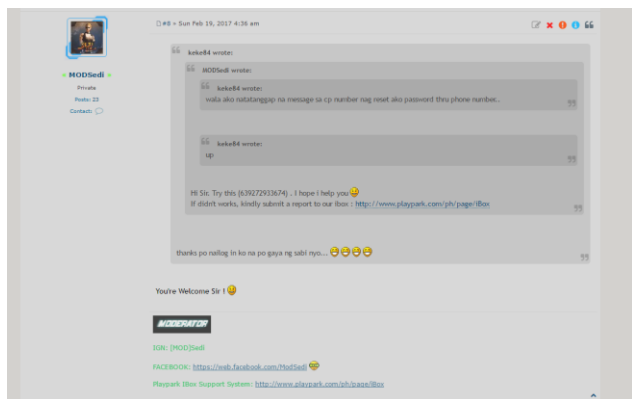

Feb 18.

-> I've handled the 3 games event today @ 3:40pm. Here are the winners of my event.

Feb 19.

-> I'm focus on Forum (Abuse Reports and Technical Reports). I noted/compile the cheaters name on my personal spreadsheet, after that I will transfer to official mod spreadsheet report. I've noted the cheaters reported by community. And also I answered all question/concern on Technical Reports.
